1. Your Payment Options

Choose whichever option suits your budget. Every option delivers the same website. The 3-Month Plan includes a 5% plan fee on the balance after your deposit; the other options have no extra fees.

Option	What You Pay	Website Total
Standard (50 / 50)	TT\$3,250 to start TT\$3,250 before launch	TT\$6,500
Milestone Split	TT\$2,166.67 to start TT\$2,166.67 when you approve the design TT\$2,166.66 before launch	TT\$6,500
3-Month Plan	TT\$1,950 to start then 3 monthly payments of TT\$1,592.50 from launch	TT\$6,727.50 includes TT\$227.50 plan fee

2. Monthly Care Plan (Optional): TT\$250/month

The care plan is **separate from your website payments**. It is a flat TT\$250 a month, it is optional, and you can stop it at any time.

	With the Care Plan (TT\$250/month)	Without the Care Plan
Monthly cost	TT\$250 a month, starting at launch	Nothing monthly. TT\$75 a year keeps your domain name registered.
Security & backups	Regular security updates and automatic offsite backups	Not included
Updates	1 text or image update included every month	TT\$10 per text or image update, when you need it
Fixing problems	Covered	TT\$150 to TT\$250 per fix, depending on complexity

- **Stop any time:** if you cancel the care plan, your website stays online and stays yours. Only the maintenance stops, and you switch to the TT\$75 yearly domain fee.

- **Start any time:** you can add the care plan later if you decide not to take it at launch.
- **Save 10%:** pay for a year of care up front and pay TT\$2,700 instead of TT\$3,000.

3. What You Need to Do

- **Choose your payment option** from Section 1.
- **Decide on the care plan:** TT\$250/month, or no care plan with the TT\$75 yearly domain fee. You can change your mind later.
- **Pay your first payment** (TT\$3,250 for Standard, TT\$2,166.67 for Milestone Split, or TT\$1,950 for the 3-Month Plan) when you are ready to go ahead. Nothing is due until then; this payment reserves your place in the schedule. Payment is accepted by bank transfer, WiPay or Fygaro.
- **Send your content:** logo, photos, opening hours, current prices and any text you would like on the site.
- **Review and approve the design** before launch.

Good to Know

- Your website launches on schedule. On a monthly plan, you do not need to finish paying first.
- Monthly payments are invoiced on the same date each month, with a reminder 3 days before each due date.
- You may pay off the balance early at any time. On the 3-Month Plan, paying early removes the unused part of the plan fee.
- Full ownership of the website files transfers to you once the website fee is paid in full.
- If a payment is more than 14 days late we will contact you; after 30 days the website may be paused until the account is up to date.

This quote was issued on 9 October 2026 and its prices are held until 8 November 2026. No payment is due until you decide to go ahead. All amounts are in Trinidad and Tobago dollars (TTD).
