Good to Know

- **Your content:** you provide the photos and videos. Phone photos are fine, and we'll send you a simple shot list.
- **Ad budget is separate:** you pay Facebook/Instagram directly for ad spend. We recommend at least TT\$300–500 a month.
- **Monthly packages:** 3-month minimum, paid at the start of each month.
- **One-time services:** paid upfront. Page optimisation is ready in 3–5 days.
